A diagram consisting of a vertical line on the far left and approximately 15 horizontal lines extending from left to right. Two diagonal lines are drawn: one from the top-left corner to the bottom-right corner, and another from the bottom-left corner to the top-right corner. These diagonals intersect the horizontal lines at specific intervals. The top diagonal intersects the 4th, 6th, and 8th horizontal lines. The bottom diagonal intersects the 2nd, 4th, and 6th horizontal lines. The intersections are marked by small vertical tick marks on the horizontal lines.
